

**Feb 3, 2016 “SWEDEN MAKES BUSINESS IN INDIA”- BUSINESS CLIMATE SURVEY 2015/16  
@16:00-17:30 VENUE: HALL 5, BANGALORE PALACE, BANGALORE.**

The Swedish Chamber of Commerce India (SCCI) in collaboration with the Embassy of Sweden, Consulate General in Mumbai and Business Sweden conduct on a yearly basis the Business Climate Survey amongst the Swedish companies established in India.

The purpose of the survey is to assess the confidence of the Swedish Business Community doing business in India and to understand opportunities and challenges. The result of the Survey is used in a number of different forums:

1. In discussions on bilateral level between Sweden and India
2. In discussions with national and state governments in India
3. Give valuable input to Swedish companies considering doing business with India
